

Ten Commandments of Business Success for Women: Reaching Your Goals With Integrity

Is it possible for a woman to get ahead without losing her integrity or compromising her values? Absolutely! We as women have strengths, vision and natural born business acumen that make our gender valuable in any business area. Our success in business is achievable without conceding to the shims f culture, using our sexuality as a tool or compromising our character. Our special gifting and unique qualities as women can be used to raise the bar in the workplace for dynamic businesswomen; this book will teach you how. In the book, Ten Commandments of Business Success for Women, author speaker and coach, Sharman Dow will help you discover: How to build an extraordinary career in business without compromising your values Avoid the traps that sideline the success of so many women Embrace the values of authenticity, loyalty and forgiveness in business Leave a legacy to make your daughters (and sons) proud Find contentment without losing your competitive edge (Sharman Dow)

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
