

## Map Folio II (Dungeons & Dragons Accessory)

A loose-leaf folio of maps for use in any Dungeons & Dragons campaign. Taken from maps that have appeared over the years on the D&D website, these ready-to-use maps for the D&D game are now collated into one volume to facilitate use in any campaign. This is the second in a series of folios that will be made available over the next year, each of which will contain 64 maps in a handy pocket folder.
