

Football: The Ultimate Guide to the Game

This is a guide to the worlds most popular sport, exploring every aspect of the game, from the sublime skills of Pele to a day in the life of a professional footballer. It covers the key rules, together with the tactics, set pieces and skills such as swerving the ball and overhead kicks. As well as offering practical advice, the book also offers an insiders view of the history of the game, profiles of the great clubs and womens football. The all-time greats, from George Best to Zinedine Zidane, make an appearance, while a section on the the great matches relives the excitement of memorable encounters such as the Brazil versus Italy 1970 World Cup Final.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
