

The End of Eve: A Memoir

At age 39, Ariel Gore has everything she's always wanted: a successful writing career, a long-term partnership, a beautiful if tiny home, a daughter in college and a son in preschool. But life's happy endings don't always last. If it's not one thing, after all, it's your mother. Her name is Eve. Her epic temper tantrums have already gotten her banned from three cab companies in Portland. And she's here to announce that she's dying. Pitifully, Ariel, she sighs. You're all I have. Ariel doesn't want to take care of her crazy dying mother, but she knows she will. It's the right thing to do, isn't it? And, anyway, how long could it go on? Don't worry, Eve says. If I'm ever a burden, I'll just blow my brains out. Amidst the chaos of clowns and hospice workers, pie and too much whiskey, Ariel's own ten-year relationship begins to unravel. Darkly humorous and intimately human, *The End of Eve* redefines the meaning of family and everything we've ever been taught to call love.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
