

Beyond the Hype: E-Business Strategy in Leading European Companies

In this examination of the current state of business technology, two successful e-businessmen combine interviews of 20 captains of European industry regarding their visions of the future of e-business with their own insights, providing inside information on Internet hype as well as ideas for future strategies. Topics covered include e-governance, new economy valuation, budgeting, and innovation strategy. A discussion of the business world's initial responses in the aftermath of the events of September 11 is also included.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
