

The 30 Laws of Flow: Timeless Principles for Entrepreneurial Success

Introducing The 30 Laws of Flow: Timeless Principles for Entrepreneurial Success. This book is for everyone who wants magnify their flow of time, money and productivity by discovering and incorporating the time tested Universal Laws. From Think and Grow Rich, to Conversations with God series, hundreds, if not thousands of authors over the years have based their teaching on some or all of the Universal Laws. But until now there has been no definitive reference that defines and explains the laws in an easy to understand format. At last there is a concise, practical compendium of 30 Universal Laws, that so many teachers through the ages have spoken of, all in one book. It includes seven daily practices that allow you to experience the flavor of the law until it is second nature. These practices highlight the power of thought energy and how to best utilize that energy to create entrepreneurial results that flow. Here is what Bob Proctor, featured teacher in The Secret, says about the book: I fell in love with the title of this book when I first heard it. The word laws and flow belong together. Let Charlene Days masterpiece help you create a beautiful flow from this point on in your life.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
