

Rum: A Global History (Edible)

Yo ho ho and a bottle of rum! A favorite of pirates, the molasses-colored liquid brings to mind clear blue seas, weather-beaten sailors, and port cities filled with bar wenches. But enjoyment of rum spread far beyond the scallywags of the Caribbean. Charles Dickens savored it in punch, Thomas Jefferson mixed it into omelets, Queen Victoria sipped it in navy grog, and the Kamehameha Kings of Hawaii drank it straight up. In *Rum*, Richard Foss tells the colorful, secret history of a spirit that not only helped spark the American Revolution but was even used as currency in Australia. This book chronicles the five-hundred-year evolution of rum from a raw spirit concocted for slaves to a beverage savored by connoisseurs. Charting the drinks history, Foss shows how rum left its mark on religious rituals; it remains a sacramental offering among voodoo worshippers and became part of popular songs and other cultural landmarks. He also includes recipes for sweet and savory rum dishes and obscure drinks, as well as illustrations of rum memorabilia from its earliest days to the tiki craze of the 1950s. Fast-paced and well written, *Rum* will delight any fan of mojitos and mai tais.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
