

## Stronger Arms and Upper Body

Increasing upper body strength is critical to athletes and fitness enthusiasts. This guide includes programmes on how to apply the strength, including specific conditioning for sports, power development and bodybuilding, and exercises for muscle balance and joint stability.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
