

The Scoutmasters Other Handbook

With his first book Mark Ray revolutionized the Eagle Scout court of honor, showing tens of thousands of readers how to make Scoutings greatest moment truly great. Now, he turns his attention to an even bigger task: building great Boy Scout troops. In this unique and highly personal book, Ray offers hundreds of proven ideas for building strong, successful, sustainable troops that truly achieve the promise of Scouting. Beginning with Scoutings aims and methods, the book moves quickly through every aspect of the program, from troop meetings and outings to fundraising and administration.
