

## Daily Mail Tax Guide 2005/2006

Under Gordon Brown, the British tax system has become increasingly complicated, with many new changes introduced every year. Without help, it's difficult to keep up and where tax is concerned, it pays to be on top of your affairs. This tax guide, written in clear, jargon-free English enables you to do just that by providing a complete run down on how the tax system works, advising you on how to plan your tax affairs efficiently, outlining all the latest budget changes and the effect they will have, showing you how to fill in your tax return, and giving you 120 tax-planning and tax-saving hints.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
