

Religion and Language in Post-Soviet Russia (Routledge Contemporary Russia and Eastern Europe Series)

Church Slavonic, one of the world's historic sacred languages, has experienced a revival in post-Soviet Russia. Blending religious studies and sociolinguistics, this is the first book devoted to Church Slavonic in the contemporary period. It is not a narrow study in linguistics, but uses Slavonic as a passkey into various wider topics, including the renewal and factionalism of the Orthodox Church; the transformation of the Russian language; and the debates about protecting the nation from Western cults and culture. It considers both official and popular forms of Orthodox Christianity, as well as Russia's esoteric and neo-pagan traditions. Ranging over such diverse areas as liturgy, pedagogy, typography, mythology, and conspiracy theory, the book illuminates the complex interrelationship between language and faith in post-communist society, and shows how Slavonic has performed important symbolic work during a momentous chapter in Russian history. It is of great interest to scholars of sociolinguistics and of religion, as well as to Russian studies specialists.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
