

## Drawing the Light from Within: Keys to Awaken Your Creative Power

All the great geniuses of the world have at least one thing in common---the ability to visualize powerful images. Einstein came up with great theories through images of physical light. Brahms visualized the inner light before he composed. Great business leaders always report they began their enterprises with a vision. Judith Cornell's proven techniques can awaken anyone's inner vision and help them develop inspired creativity and more self-esteem and optimism in a rapidly changing world.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
