

Cormyr (Forgotten Realms, No. 9410, Advanced Dungeons & Dragons Fantasy Roleplay)

Cormyr will allow DM and player alike to wander the Kings Forest and the alleys of Suzail in the minds eye. It presents indispensable information for any campaign played in the FORGOTTEN REALMS setting, including military and magical forces, rules for obtaining adventuring charters (required by the Crown), and facts about the War Wizards and Council of Mages. A full-color map of the area details many sites not mentioned in the Campaign Setting, providing the creative DM ideas with which to entertain players for many nights of adventuring.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
