

How to Memorize Anything: The Ultimate Handbook to Enlighten and Improve Your Memory

Can we really memorize anything? The answer is, Yes we can! From Guinness World Record holders Aditi Singhal and Sudhir Singhal comes a book that will serve as a manual to explore the immense power of your memory. It will: Explain concepts with simple illustrations While teaching you memory techniques, it will also discuss their application in real life, like memorizing appointments, presentations, names and faces, long answers, spellings, formulae, vocabulary, foreign languages and general information Give the scientific interpretation of ancient memory-enhancing practices that will be particularly useful for professionals as well as the common man. Following the unparalleled success of How to Become a Human Calculator, Aditi Singhal and Sudhir Singhal turn their hands to helping you master the right method to input any information using which you can easily memorize anything.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
