

The Cambridge Companion to Cricket

Few other team sports can equal the global reach of cricket. Rich in history and tradition, it is both quintessentially English and expansively international, a game that has evolved and changed dramatically in recent times. Demonstrating how the history of cricket and its international popularity is entwined with British imperial expansion, this book examines the social and political impact of the game in a variety of cultural sites: the West Indies, India, Pakistan, Sri Lanka, South Africa, Australia and New Zealand. An international team of contributors explores the enduring influence of cricket on English identity, examines why cricket has seized the imagination of so many literary figures and provides profiles of iconic players including Bradman, Lara and Tendulkar. Presenting a global panoramic view of cricket's complicated development, its unique adaptability and its political and sporting controversies, the book provides a rich insight into a unique sporting and cultural heritage.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
