

## My Wifes Black Boyfriend

Hello Friend, I'm glad you asked me about my wife's black boyfriend. It was an interesting journey for Connie and me, but it certainly was an enjoyable ride getting there. Yes, she has a boyfriend and yes he is black. Read how Connie and Robert transcended their traditional marriage into a deeper and more open arrangement. It all began when Connie treated her husband to one of the most exciting birthday presents a man could ask for; a beautiful naked woman in his bed all for him that was not his wife. Shortly, it's Connie's turn to experience an encounter outside of her marriage. However, it is the introduction into Interracial Swinging that sets this tale on fire. As they say, Once you go black... Content Warning: This story is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. This story contains very explicit descriptions of sexual activity between an African American man and a white woman. It includes interracial sex, oral sex, cuckolding, exhibitionism, semen swallowing, and other practices.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
