Provides practical help for the day-to-day concerns that keep managers awake at night. This book aims to fill the gap between the legal and policy issues that are the mainstay of human resources and supervision courses and the real-world needs of managers as they attempt to cope with the human side of their jobs.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
