

Helping a Child with Nonverbal Learning Disorder or Aspergers Disorder: A Parents Guide

The book offers readers ways to evaluate their child's strengths and weaknesses in areas such as visual and spatial functioning, writing problems, information processing and organizational skills, social and emotional capabilities, language skills, and interactive abilities. It offers specific strategies for intervening and helping the child to cope with these obstacles, such as teaching the child how to socialize with humor and empathy, alternatives for learning to write, tips for organizing daily activities, multi-tasking, and more.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
