

# A Social History of Tennis in Britain (Routledge Research in Sports History)

Winner of the Lord Aberdare Literary Prize 2015- from the British Society for Sports History. From its advent in the mid-late nineteenth century as a garden-party pastime to its development into a highly commercialised and professionalised high-performance sport, the history of tennis in Britain reflects important themes in Britains social history. In the first comprehensive and critical account of the history of tennis in Britain, Robert Lake explains how the games historical roots have shaped its contemporary structure, and how the history of tennis can tell us much about the history of wider British society. Since its emergence as a spare-time diversion for landed elites, the dominant culture in British tennis has been one of amateurism and exclusion, with tennis sitting alongside cricket and golf as a vehicle for the reproduction of middle-class values throughout wider British society in the twentieth and twenty-first centuries. Consequently, the Lawn Tennis Association has been accused of a failure to promote inclusion or widen participation, despite steadfast efforts to develop talent and improve coaching practices and structures. Robert Lake examines these themes in the context of the global development of tennis and important processes of commercialisation and professional and social development that have shaped both tennis and wider society. The social history of tennis in Britain is a microcosm of late-nineteenth and twentieth-century British social history: sustained class power and class conflict; struggles for female emancipation and racial integration; the decline of empire; and, Britains shifting relationship with America, continental Europe, and Commonwealth nations. This book is important and fascinating reading for anybody with an interest in the history of sport or British social history.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
