

Morgans Mates (Siren Publishing Menage Amour)

[Menage Amour: Erotic Paranormal Menage a Quatre Romance, M/F/M/M, shape-shifters, light bondage, sex toys, HEA] Morgan Richards boyfriend Nathan McLaughlin is a shape-shifter. This has sometimes caused problems in her relationship, but things take a turn for the worse when he contracts a rare shifter illness. He has shifted into his wolf and can't change back into a man. That's when Hunter Cole and Drake Sinclair, two lusty shifter cowboys, enter Morgan's life determined to take the place of her lost boyfriend. Morgan is frustrated with struggling on her own and desperate for a change, so she reluctantly enters a relationship with both men. The sparks begin to fly between them, and what started out as a temporary relationship of convenience turns into burning sex and then passionate love for all three. Though Nathan gave her permission to take a man into her bed while he was away, what will happen when he returns to find two shifters living in his home and loving his woman? ** A Siren Erotic Romance

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
