

Divine Wealth Codes

The book, *Divine Wealth Codes: Your Daily Wealth Creation Supplements* is a collection of selected Scriptures on divine wealth drawn from different versions of the Bible; coupled with prophetic declarations and prophetic prayers also drawn from the Scriptures. They are designed to guide you in accessing divine wealth from the throne of God through daily study, mediation, prophesying and acting out the efficacy of these Scriptures by faith. However, you can only do this if you believe the word of God concerning you as stated in these precious promises of God to you. God owns all the resources that you will ever need, schedules all the tasks and requests for the use of those resources. Therefore, you should always look up to Him and ask Him for the resources you need rather than keep looking at the insufficient resources in your hands. God wants total dependence on Him. He wants you to totally depend on Him for all you will ever need and want. That is why He consistently tells you that He is your Shepherd and you have everything you need and want. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
