

Tax Tips and Tax Shelters for Canadians

Tax Tips and Tax Shelters for Canadians provides individuals and business owners with effective tax-planning strategies designed to reduce taxable income, generate tax deductions, increase tax refunds, increase potential investment returns, defer tax, increase wealth, and minimize probate and estate taxes. When implemented properly the strategies discussed in this book are legitimate tax-planning strategies recognized by many financial planners, financial experts, chartered accountants, actuaries, financial commentators, tax lawyers, and the Canada Revenue Agency. Although RRSPs are the most popular tax shelter in this country, individuals and business owners are not taking advantage of many simple products, services, and structures that can provide immediate tax relief and benefits. Learn more about the following strategies in Tax Tips and Tax Shelters for Canadians:

- Individual Pension Plans

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
