

27 Un-Procrastination Tips: How to Break the Procrastination Habit and Get Things Done

Escape the rut of procrastination! Do you struggle with completing tasks and projects? Do you feel crippled because of your procrastination habit? Do you want to break this habit and get things done, so that you can get the results you want in your life? We all want to get more productive. But due to our procrastination habit, we constantly postpone important tasks. The end result? We become completely overwhelmed by an enormous pile of undone tasks and dreams on the table. This causes stress, which leads to even more procrastination. The whole situation just builds on itself. It prevents you from living your life to the fullest, and you causes you to be in a constant state of stress. Whats the solution? Its quite simple really: you can break your procrastination habit by replacing it with a different one: a habit of productivity. That kind of habit is the only reason successful people are able to get things done much faster. They already have a productivity habit programmed into their very being. As a result, they are always able to get things done: it is something that is second nature to them. The detailed tips in this book 27 Un-Procrastination Tips are exactly what you need to build that kind of productivity habit. These in-depth strategies will provide you with a complete framework to build structure in your life and get the awesome results that you want! Some of the most important things you will learn in this book are: How to develop a productivity HABIT How to break your projects down into tiny next-action steps to avoid getting overwhelmed How to apply the 80/20 rule, and focus on the goals and tasks that matter How to not succumb to your moods How to master positive self-talk to motivate yourself How to become a master of your own willpower How to stop being a perfectionist How to be more productive by doing nothing How to create and use a not-to-do list to avoid distractions By consistent application of

the tips in this book, you can permanently stop procrastinating become the productive person that you want to be! Take the first step to break your procrastination habit NOW. Scroll up and click the buy button on this page!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
