

Getting Life in Perspective: A Fantastical Romance

Warned by his doctor to seek some much-needed rest, Rick Carton retires to a neglected old mansion in the Texas hill country to write. But strange things begin to happen. Are the characters from Cartons novel of gay love in 19th century America real? Or is the mansion haunted by two lovable apparitions? While the charming pair tell Carton of their search for a utopian colony in Colorado that will shelter them, he faces his own fears of death and failure. Getting Life in Perspective offers readers a sweet and sexy romance with touches of spiritual grace and the supernatural. Large-print edition.
