

Forever in the Keys: A Florida Keys Romance Novel

Forever in the Keys is the second book in Miki Bennetts Florida Keys Romance series. It was just a few months ago that Abbey Wallace, a twenty-eight-year-old illustrator and graphic designer, attended a wedding in the sunny Florida Keys. After taking a side trip to Key West, she instantly felt at home in the city full of creativity and friendly people. So she impulsively decides to move to the island to pursue her dream of becoming a professional artist. As Abbey settles in and makes new friends, she's challenged by her fifty-five-year-old neighbor Josie. While Abbey is determined to break past Josie's disagreeable attitude, friendships come easily for her at her job at a web design and graphics firm. Especially with a wonderful, handsome man named Zach Isler, who is definitely interested in Abbey as more than a friend. She is afraid to admit her feelings for him until a sudden unexpected event makes her re-examine her emotions. Forever in the Keys follows Abbey through life's ups and downs as she works toward her artistic goals, forges new friendships, and struggles to face the growing feelings for her coworker Zach.
