

## Bitten.: Unpretentious recipes from a food blogger

Sarah Graham says she has aimed this book at twenty- and thirty-somethings (or anyone who is young at heart), who love life, love food, love their friends and love to squeeze the last drop from their time and money. She believes that anyone can cook delicious, wholesome food, and to that end presents this collection of no-mess-no-fuss recipes, for entertaining family and friends. Written in a blog-based style that is current, chick and sharp, the text will draw you into Sarah's world and, according to Frank D'Angelo, make you feel like you're spending time with an old friend. She has spent years testing and perfecting these recipes.
