

Weight-Loss Apocalypse: Emotional Eating Rehab Through the hCG Protocol

This book was written to start a new conversation about how Dr. Simeons protocol has relevance, not only as a hormonal therapy, but as a means to end our national eating disorder. Instead of continuing to apply the protocol as a short-term diet, it should be discussed as a real solution --a tool to end irrational eating for emotional fulfillment. This country is dealing with a crisis: an addiction to eating emotionally, and the obvious result is the overwhelming increase in obesity. Think about the number of people in our culture who eat without hunger. When you observe our nations behavior with food, its very clear that fat isnt what we should be obsessed about, and weight shouldnt be the target of the problem. We need a genuine desire to eat less, one that isnt dependent on weight loss as a reward. This requires each of us to be accountable for our own emotions, and find happiness in life not centrally stimulated by food. Finally a book that credibly answers the questions every doctor, patient, and skeptic needs to know about the hCG protocol. - Dr. Heidi Anderson, Doctor of Osteopathic Medicine Ive been prescribing hCG for weight loss for over four years, and nothing Ive read comes close to having this level of expertise. Without question, this is the most informative and enlightening book about Dr. Simeons hCG protocol available.

- Dr. Ed Hagen, OB/GYN Robins approach to the hCG protocol is ingenious. Using the protocol as a way to heal the mind and body as an emotional and physical therapy is exactly what this country needs. - Becky Crowther, Registered Dietitian, Life Coach

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days

the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
