

## Mihaels Trial (Celestial Justice 6)

What if you're the angel of loyalty and have to choose between doing your job supporting the greater good and making a life with your newfound soul mate? Mihael is the angel of loyalty and knows right from wrong better than most. He is shocked when he is put on trial for upholding loyalty over compassion. A mysterious assignment on Earth is supposed to help him understand... Francis Portillo is a teacher struggling to support himself and his sisters' twin toddlers. Helping others is what he does, be it a bullied student or the somewhat confused stranger who signs up for his Spanish class. Can Francis help Mihael learn the meaning of affection and compassion before it is too late? NOTE: This book has been previously released in June 2012. No changes have been made to the story, it is identical to the previous version.
