

Estate Planning Made Easy, Third Edition

Baby boomers heading into their retirement years must take the time to ensure that their estates are in order and that means a lot more than just preparing a will and naming an executor. Insurance, taxes, and planning for Medicare and Medicaid are among the crucial considerations in planning for the future. Completely revised and updated, Estate Planning Made Easy, Third Edition shows individuals why they need more than just a will and an executor, options for conserving wealth, and advice on putting together a comprehensive estate plan. This third edition includes extensive revisions to tax legislation, which has changed significantly over the last few years, leaving most Americans clueless. Features:

- * Changes to Tax Legislation
- * How seniors can best plan for Medicare and Medicaid
- * How to obtain the best cash flow with an equity-rich home
- * Tax legislation regarding 401ks IRAs, and pensions
- * Strategies to help reduce estate size and give to children, grandchildren, and great grandchildren, without jeopardizing annual gift allowances
- * Premium financing of life insurance
- * Information on social security, private annuities, and state inheritance tax

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
