

Choose Your Own Mood

This book uses concepts from Cognitive Behavioral Therapy to help teens see the effect of their choices on themselves and others. It allows the reader to experience the impact of their choices as they make decisions on how they will think and behave.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
