

Aerial (Arcanium)

Aerial by Aurelia T. Evans Book three in the Arcanium series Friends are supposed to stick together, but now they can never let go. Seth and Lars are drawn into the dark world of Arcanium when Seth makes a throwaway wish in front of the circus fortune teller Bell Madoc, who decides that Arcanium needs a little something extra in the ring. The jinni tears Seth and Lars from their lives of university soccer, on-campus parties and bright futures, cursing them to remain in contact at all times. Now they perform beautiful aerial acts for the circus, but these two otherwise straight men must also adjust to living their lives always touching, sleeping together in the same small bed and never having any privacy. The curse also alters the way they express and experience desire for others, like conjoined twins Joanne and Jane. And, to their horror and confusion, each other. The Arcanium series Welcome to Arcanium, the Circus of Lost Souls. Stay a while and feast your senses on the world-famous collection of human oddities and marvels, with death-defying daredevil acts and breathtakingly beautiful performances of strength and skill. Unbelievable talent, undeniable passion, unspeakable horror! You won't believe your eyes! Just take care not to make a wish in front of the fortune teller or threaten any of the cast, or else the denizens of this demonic circus will ensure there is hell to pay. Literally. These are the stories of the cast of Arcanium and the wishes that bind them there. About Aurelia T. Evans Aurelia T. Evans is an up-and-coming erotica author with a penchant for horror and the supernatural. She's the twisted mind behind the werewolf/shifter Sanctuary trilogy, demonic circus series Arcanium, and vampire serial Bloodbound. She's also had short stories featured in various erotic anthologies. Aurelia presently lives in Dallas, Texas (although she doesn't ride

horses or wear hats). She loves cats and enjoys baking as much as she dislikes cooking. She's a walker, not a runner, and she writes outside as often as possible.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
