

Tax-Free Property Investments: How to Earn 140% More Income and Retire Rich with a Property Pension

This book reveals how you can double your property investment returns using two powerful tax shelters: pensions and ISAs. You'll discover how to buy property at a 40% discount, paid for by the taxman, never pay capital gains tax or income tax on your property profits again, cut the income tax on your ENTIRE salary or business profits to zero and invest in upmarket London homes and other prime properties using your pension savings. The book also tells you everything you need to know about profiting from the property downturn by investing in vulture funds and other property funds.
