

Hal Higdon's Smart Running: Expert Advice On Training, Motivation, Injury Prevention, Nutrition And Good Health

Your running questions answered. As the expert on Runners World magazines Web site, Hal Higdon receives nearly 1,000 questions a month from runners around the world. Questions from how to heal shinsplints to how to use running to safely shed pounds. Hal taps into 40 years of running experience and a wide network of exercise scientists and doctors to bring readers sound advice. And in Hal Higdon's Smart Running, he brings this same experience and knowledge to new and veteran runners. You'll discover:

- * How to fit running into a busy lifestyle
- * What the best program is to lose weight
- * How to run a faster 5-K
- * How to motivate yourself to exercise consistently
- * If you are ready to run a marathon
- * What the best types of running shoes are
- * What the difference is between muscle soreness and an injury
- * What to eat before a race
- * How to run safely at night
- * How much cross-training should be in your running program
- * If you should run less as you get older
- * How to train for a marathon
- * If your diet should be high in carbohydrates
- * How much speedwork should be in your workouts
- * What the newest fabrics in running clothes are

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
