

Cosmic Ordering: The Next Adventure: Instructions for Overcoming Doubt and Manifesting Miracles

The phenomenal success of Barbel Mohrs bestseller *The Cosmic Ordering Service* transformed thousands of lives, including the life of TV presenter Noel Edmonds. This second book is a deeper illumination of the techniques outlined in the previous books, and will shed light on any lingering questions or doubts. The book is packed with cosmic ordering success stories, but also analyses failures and explains additional guidelines to be followed. She assists readers in releasing deeply-rooted misgivings that may prevent successful ordering. Furthermore, she provides a number of extremely simple, yet effective recipes for creating the reality you want and for realising miracles.
