

The Planetary Bargain: Corporate Social Responsibility Comes of Age

Exploring many of the most pertinent ethical and economic issues of our time, this book offers both new insights and innovative solutions. Including case studies of international companies and analysis of research, Michael Hopkins addresses global commercial and social problems and examines the question of corporate social responsibility. His presentation of the case for a worldwide agreement or `planetary bargain between the private and public sectors is both a challenge and a potential source of hope for all those engaged in business in the last years of the twentieth century.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
