Throughout the country Crunch is synonymous with the ultimate in fitness and exercise. From New York to LA, Crunch Fitness Centers have helped hundreds of thousands of Americans get in shape and stay in shape. With their unique lifestyle approach to fitness and their philosophy of no judgments on your lifestyle, Crunch is the choice of men and women, and who want to exercise their right to fitness. Crunch and Hatherleigh/Five Star are proud to announce the first three books in the Crunch Fitness Series. Each book in the series is specifically designed to meet the lifestyle demands of todays Americans-the harried business executive who spends her weekends on the road, the father of the bride who has to look good in a tux, the soccer mom who just doesnt have time for the gym, young people, old people, couch potatoes and bodybuilders. Everyone will benefit from the Crunch expertise and their team of fitness specialists. If its Tuesday, this must be Memphis. Wednesday, Pittsburgh, Thursday, LA . . . If the only weight you lift is a suit bag, if the only running you do is to catch the airport shuttle bus, if your diet consists of burgers and fries at a roadside greasy spoon, then its time for The Road Warrior Workout! This is the workout book for business men and women who spend more time in airports than a gym. The fitness specialists from Crunch provide expert guidance on how to stay fit on the road-whether its an overnight jaunt or a week-long excursion. Youll learn exercises you can do in your hotel room, how to beat jet lag, special in flight flexibility exercises, how to stay motivated and manage stress, tips on eating healthy and much, much more. So the next time you pack that overnight bag, pack The Road Warrior Workout. Dont leave home without it!
