

Virtue Ethics (Oxford Readings in Philosophy)

This volume brings together much of the most influential work undertaken in the field of virtue ethics over the last four decades. The ethics of virtue predominated in the ancient world, and recent moral philosophy has seen a revival of interest in virtue ethics as a rival to Kantian and utilitarian approaches to morality. Divided into four sections, the collection includes articles critical of other traditions; early attempts to offer a positive vision of virtue ethics; some later criticisms of the revival of virtue ethics; and, finally, some recent, more theoretically ambitious essays in virtue ethics.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
