

The Black Neighbor (Volume 1)

In a quiet suburb off the outskirts of Portland, resides a place known as the Mansion Estates. Filled with young and old couples alike, but theres something missing, a touch of color. The small suburb is dominated by white couples, with one Asian couple standing managing to find a way to fit in. However, when an older couple has to move out, a new big, black neighbor comes to town. Cristina is a frustrated white wife, who cant seem to have a wild night with her husband. As hes busy trying to get a promotion, shes busy trying to get an orgasm. When she notices the new black neighbor move in, right across the street, she cant help but introduce herself. But as Cristina soon finds out, she may have bitten more than she can chew... or swallow for that matter.
