

E-Marketing in Developed and Developing Countries: Emerging Practices

While e-marketing has emerged as an aid in allowing businesses to reach a broader audience, evolutions in computer science and technology have made its comprehension a bit more complex. E-Marketing in Developed and Developing Countries: Emerging Practices aims to create a deeper understanding of the policies and practices that are involved in a successful e-marketing environment. This publication highlights the strategies and applications currently being used in both developed and developing countries; proving to be beneficial for entrepreneurs, policy makers, researchers, and students wishing to expand their comprehensive knowledge in this field.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
