

The Secrets of Judo: A Text for Instructors and Students

The Secrets of Judo is a revealing Japanese martial arts manual that focuses primarily on the scientific principles at work in judo. It offers clear-cut explanations of the numerous techniques involved in throwing and grappling. In addition to the precise detailing of judo's physical aspects, this book provides insights into the psychological factors related to judo's underlying philosophy. The Secrets of Judo, a fascinating and valuable work since its original publication in 1959, sets out a comprehensive course to achieve maximum efficient use of mental and physical energy that remains as vital and fresh as when first recommended by Rieki Kano, president of the Kodokan, on its original publication. This Judo guide features sections on: The Art and Science of Judo How Can Dynamics Be Applied to Judo? Three Principles for Practicing Judo Three Laws of Motion Kinds of Force Acting State of Force How to Practice Throwing How to Practice Grappling

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
