

## Use Time Or It Will Use You

Use Time Or It Will Use You is a modern classic. First published in 1997, written by one of the worlds foremost experts in Time Management. This book has helped thousands of people become highly effective managers of their most precious commodity. Whatever field of endeavor you are in, the principles outlined in this easy-to-read, practical guide can help you shift gears into a higher level of productivity and achievement. Use Time Or It Will Use You has a different focus from other time management books. It is designed to inspire, to motivate and to assist anyone and everyone who is interested in improving the quality of their life. According to Dromey, the greatest pleasure and satisfaction in life comes from the accomplishment of things that require large investments of time. In a nutshell, this book is about how to create that abundance of time that you need to invest to realize your long-term goals and ambitions. Each and every one of us has a great untapped potential to use our time much more effectively. If we exploit this potential we can accomplish things that will make our lives richer, make the world a better place, and give pleasure and inspiration to those we love and touch. Profits from the sale of this book will go to the Professor R. Geoff Dromey Foundation and Scholarship Fund to facilitate industry focused applied academic research to advance and improve systems and software engineering capability.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
