

Justice is Dead (Croft & Croft Romance Adventure Book 7)

The 7th book in the Croft & Croft Romance Adventure Series Content Advisory: This book is intended for mature audiences and contains graphic violence, explicit sexual activity and disturbing imagery. The end is finally here. The last showdown has begun between the Crofts and Dominic Marianna. He wants them dead, and they want him tossed in jail. There can only be one winner in this fight, and the mob boss is willing to play dirty. Cops or no cops, hes going to make them bleed all over the Vegas strip. In a race to find justice for all the dead Marianna has buried throughout Vegas, the Crofts, along with their family, have only one chance. They need to trust the wild card sent by Randall Mason. The Russian killer, Dimitri Gideon, is now their only chance to save Vegas and themselves. The risk is high, but they have no other choice. Its all going down. Man versus man. Cop versus Mobster. Theyre taking it to the streets, and unlike Dominic Marianna, Greyson Croft has everything to lose, and hes willing to go down fighting for his family, for his honor, and most importantly for his woman. This is the final book in the Croft and Croft Romance series. Be ready. Its going to be an epic battle.
