

Take the Young Stranger by the Hand: Same-Sex Relations and the YMCA (The Chicago Series on Sexuality, History, and Society)

Now associated with family health clubs, the YMCAs bland image is the result of relentless outreach and the studied avoidance of controversy. But, as John Gustav-Wrathall shows in his revealing social history of the organization, the life of the YMCA has been filled with strife, tragedy, and irony, a life that itself reflects the struggle over the shifting societal mores regarding masculine friendship and intimacy. Take the Young Stranger by the Hand presents the YMCA as an institution of profound contradictions, reflective of societys views of same-sex love and sexuality. Gustav-Wrathalls book offers an in-depth history of the origins and purposes of the Young Mens Christian Association and how it evolved into and out of a gay playland. Arnie Kantowitz, Lambda Book Report The books absorbing exploration of the sometimes schismatic, sometimes synergistic relationship between spirituality and sexuality is a fascinating addition to the growing body of social history. Jim Van Buskirk, San Francisco Bay Guardian

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
