

A Faraway Country

Its early 95, and from across cultures and untold miles, PK heeds psychical prompts from a tiny Maya girl and heads south in an old Dodge van. Along the way, flashbacks revisit his 11 years in prison, an escape from Folsom, and how, upon release in 70, he finds employment as an agent of Mexico's dedicated guerrillas. Now decades later, we follow our two-fisted killer man to Chiapas, to mysterious Maya Mexico. Against a backdrop of Zapatistas (EZLN) locked in a mortal struggle with NAFTA and an amoral government, we meet immensely memorable characters, among them: otherlaw Gat, footless Vietnam vet; China-eyed Ana, psychedelic sorceress; flamboyant Biga, tormented Maya street queen; beautiful Nichim, slave girl; Wiz-wiz, Zapatista warrior woman; we follow the Fills-seekers of Atlantis and 60ish ex-pats-as they dodge the \$30,000 official adoptions racket to legally become the birth parents of baby Dream: cost-\$12.. With long-term hard-timer PK as guide, A FARAWAY COUNTRY probes tinderbox Maya-Mexico while offering a troubling view of Mexico as a viciously apartheid culture, a deftly-manipulated penitentiary to millions, and just another US-propped failed state.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
