

Dream Travelers: Sleep Experiences and Culture in the Western Pacific

In dreams, part of the self seems to wander off to undertake both mundane tasks and marvellous adventures. Anthropologists have found that many peoples take this experience of dreaming at face value, assuming that their spirits literally leave the body to travel, meet other spirits, and acquire valuable knowledge - with dramatic consequence for relationships, social organization, and religions. Dream Travellers is about Melanesian, Aboriginal Australian, and Indonesian peoples who hold this assumption. Several leading anthropologists contribute theoretically and ethnographically rich chapters, showing that attention to these peoples dream lives deeply enhances our understanding of their cultures and waking lives as well.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
