

Road Atlas Canada: The East (USA & Canada - road atlases)

A superbly illustrated atlas which goes well beyond a typical road atlas. Included are: general maps and tables, special weather maps, general maps, regional maps, area maps and city maps. Also included in 3 languages: German, English and French, a practical section for travelers that includes: preparation, getting around, on the road in Canada and things to know. This is a special atlas which fulfills many of the needs of a demanding traveler.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
