[Menage Amour: Erotic Cowboy Menage a Quatre Romance, M/F/M/M, interracial, sex toys] Summer Showers was excited about moving to Whispering Mountain for a better job and triple the pay. When her living situation changes, she is persuaded to move in with the Durden men temporarily. Staying with the men only makes her undeniable attraction grow stronger. She finds it difficult to suppress the desire growing inside of her. Dalton, Denver, and Dillon Durden knew they were in trouble the minute they invited Summer to stay with them. While all three men tried to fight their attraction to her, they found it difficult to stay away. Someone is lurking in Whispering Mountain and they won't stop until they get what they have come for. Will the stranger rip their world apart or will the Durden men fight to protect everything they love and surrender to Summer? \*\* A Siren Erotic Romance
