

Finding Your Own Voice: Your past can control who you are, until you find your own voice

This book tells the personal story of one woman's journey from childhood abuse to a successful career and happy marriage. Through sharing her own childhood experiences, she explains how she healed, and how you too can overcome the trauma of physical, emotional and sexual abuse. This book will help people to understand the actions of abusive people and how to become aware that they themselves might be stuck in a never ending abusive cycle. Evette shares her highs and lows in life as well as her story how she healed from it. This book will help readers to recognize whether they had an abusive childhood or have been or are in an abusive relationship.

Evette Rose offers her own experience, advice and hope. As many readers can attest, simply reading this book is a profound healing journey. If you have suffered abuse, you will find hope, healing and new perspectives from this personal tale. If a friend or loved one is struggling to shake the memories of their past, this book will help them to find their own voice. This book will help people to understand the actions of abusive people and how to become aware that they themselves might be stuck in a never-ending abusive cycle. Evette says: Never feel alone again, thinking that your past is a deep dark secret. There are many people that have experienced abuse. The reason why we think these things only happen to us is because no one talks about it. I have decided to speak out and speak up. I use my childhood abuse as the foundation of my book. I explain how abuse can control your life and identity, and how it can suppress your gifts, qualities and personal power. This book will open the pathway for you to find your own voice again. Six (Yes 6!!) FREE BONUS Guided Meditations are included for FREE! All six meditation tracks help you to apply the books teachings in the quickest possible way so that you can get results

immediately. As soon as you have bought the book you can download the meditations and you can be healing even before your book arrives in the post. NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
