

## The Hazing Reader

Despite numerous highly publicized incidents and widespread calls for reform, hazing continues to plague many of the nation's institutions. In this volume, noted hazing researcher Hank Nuwer presents 15 classic or never-before-published essays that can help all of us, parent and professional alike, better understand the culture of hazing. The collection, which includes contributions from such experts as Michael Gordon, Walter Kimbrough, Stephen Sweet, and Lionel Tiger, looks at hazing behavior in fraternal organizations (including sororities and traditionally black fraternities), high school, the military, and sports. There are also chapters on hazing and the law, hazing injuries, and hazing and gender. Lastly, the book lays out steps for transforming a culture of hazing and offers suggestions for further reading.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
