

Lets Grandparent: Activity Guide for Young Grandchildren (Hc)

With baby boomers swelling the ranks of grandparents, there is a large and growing audience for Lets Grandparent. There are no other books on the market with the variety of content or perspective presented in this book. With its emphasis upon the crucial early years, it has special appeal for new grandparents and those with young grandchildren. During this honeymoon period grandparents are typically enthusiastic about their new role and eager to learn all they can to make the most of time spent with their grandchildren. They want it to be fun, have an educational value, and strengthen close intimate bonds. Lets Grandparent shows them how to achieve these goals through an in-depth understanding of child development, over four hundred kid-tested activities and tips for simple but satisfying experiences together. The author brings together her personal experience as an enthusiastic grandparent with her professional career in early childhood education to create this insightful and enjoyable guide. The intended audience for this book is grandparents with young grandchildren, especially targeted for a well-educated, middle-class audience and grandparents of both men and women in their late middle-age and early retirement years. Parents of young children, who often are looking for ways to encourage closer connections between their children and their grandparents. Anyone wishing to form a close relationship with a young child, such as other relatives or mentors to young children. Participants of workshops and classes for grandparents. temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
